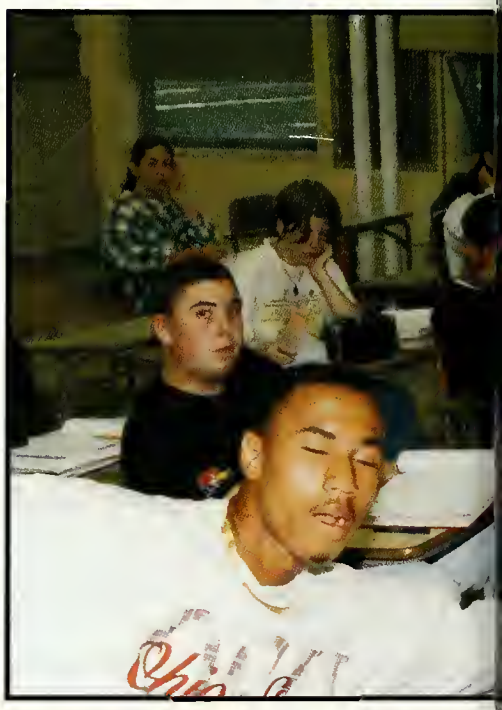
Student Life

The life of a student was very complex. They were always trying to balance relationships with parents, friends and acquaintances. The pressures that students felt from other students and friends was very great at times. There were also sometimes pressures at home which caused the students to become less than focused on what they should be doing. Some students looked to the school as a place of stability. There were many activities that a person could participate in throughout the year. A student's life was as busy as they wanted to make it.

Angela Meros spends much of her time at school playing on the tennis team and helping with other organizations.



Megan Coyne enjoys playing on the soccer team so she can get good exercise and learn the techniques of the sport.

LIVE IT

What kind of life do you live?

Jason Edwardsen and **Simeon Boddie** discuss what is happening on the field while they are waiting to go in. Football makes their lives much more plesant

The members of the Marching Band spent part of their lives parading through the halls of Euclid in peparation for the evening game. This gave them a chance to make a lot of noise in the school and no one would object.

LIFE

Stefanie Brown, Jessica Scott, Christy Peacock, Kim Kosovich and **Christy Gecewich** getting ready to make a tower during half-time ceremonies. Practicing for the Majorettes took a lot of time from the lives of each of the girls.

Dawn Ganser spends much of her time at Euclid performing with the Flag Corps and enjoys those days very much.

Euclid smashes South in Homecoming Game

Homecoming weekend began on Thursday evening with a bonfire held on Diamond #4. The Marching Band played, the cheerleaders cheered, the football team talked to the crowd and a Willoughby South player was burned in effigy.
On Friday evening Euclid played Willoughby South on the football field. South fumbled on their second play and Euclid recovered and scored on a pass from **John Mc Clain** to **Monroe Hillsman** on the next play. **John Mc Clain** then scored on a keeper in Euclid's next possession. **Tony Fisher** and **Monroe Hillsman** added two more touchdowns before the half. **Monroe Hillsman** also scored in the third quarter to complete the scoring at 32-6. The second half was fairly uneventful as coach **Tom Banc** substituted heavily to close the game.

Students got the weekend off to a exciting start by attending a bonfire on Thursday evening at the baseball diamond. The Marching Band, cheerleaders and the football team attended and Willoughby South's mascot was set ablaze.

Varsity Chorale members, **Don Johnson, Katie Walker, Sarah Kale, Jodi Dominick, Carolyn Klocker, Fritz Streiff, Jason Edwardsen, Chris Di Biase, Craig Sulecki** and **Colleen Longshaw** were led by **Ken Ferlito** and sang the Alma Mater and the National Anthem.

Kristina Geiger, Fritz Streiff, Christina Fabert and **Will Freeman** carry the Willoughby South effigy around the diamond before tossing it into the fire.

Monroe Hillsman was a major factor in the Homecoming victory over Willoughby South. He scored three touchdowns and made many key plays to ensure the win.

Doug Grisard and **Mike Zielinski** pick up **Robin Lausche** to help her celebrate her birthday at the game ceremonies.

The entire Homecoming Court and their parents were introduced before the football game began. These students will have a lot to remember in the future.

HOMECOMING DANCE WAS A NIGHT TO REMEMBER

The theme of Homecoming 1995 was **Welcome to Paradise** and the decorations consisted of many helium filled balloons in the ballroom and palm trees on the walls. Each of the couples was printed on a paper pineapple. Music was supplied by a disc jockey and recorded songs. 250 couples spent the evening together and amused themselves by having their pictures taken, socializing and dancing. At 9:30 the Queen and King and Court were announced and the traditional court dance was held. The dance began at 7:00 and refreshments consisting of punch, vegetables and pastry were served. The dance allowed students to get together and enjoy themselves for the evening.

Senior Attendant, **Cory Watson** dancing with **Lemuel Gardner** after the court was announced.

Tom Heuer, Lauren Hadyk, Mike Jolty and **Kelly Smith** were some of the couples that had a lot of fun at the dance.

SENIORS

Seniors. They've been at Euclid for four years. They were at the top of the heap. Everyone looked up at seniors. They were the role models for everyone else at the school. They knew how to get things done. They were used to the rules and how the game should be played. They were now the mature individuals in the high school. For many this would be the end of their formal education but for many this was just the beginning and there would be many more years of education before they would go off and begin their lives on their own. It was a time of memories of friends that would be cherished for years to come. Memories of events that had shared before. There were many mixed emotions associated with being a senior but one thing of certainty was that they would never be forgotten.

Regina Motiejunas, Mike Mukavetz, Brenda Volpe and **Marianne Wilson** carried the colors during one of Euclid's football games. This was an exciting moment for them and they enjoyed being a member of the NJROTC.

Flag Corps member, **Kendra Proctor**, enjoyed all the movements that went into being a member of the half-time productions on the football field. She worked hard both on and off the field during her years at Euclid to try to attain the most she could.

Chris Litwinowicz and **Mark Garlauskas** were both members of the NJROTC and they participated in the work that was necessary to succeed in the program.

Andre Mc Michael, Dawn Ganser and **Deanna Lauver** know that it is important to study and that the Library is an excellent place to get their studying done.

Sharon Hollis, Kristina Geiger and **Christina Fabert** are all seniors and have learned the 'ropes' about succeeding at Euclid High School.

Cheerleaders, **Becky Hren, Annie Wein, Jodi Dominick, Melissa Hoppert, Christina Fabert, Meghan Orazen** and **Nikki Barbis** devote much of their time to helping the spirit at Euclid show through in everything they do.

Office Aides, **Kristin Sacko, Chris White** and **Melanie Bergolc** help secretary, Mrs. **Lynette Tercek**, do all the things that she is expected to do.

96 TOP OF THE LADDER

Seniors reach position of most importance

The seniors were the oldest and most mature members of Euclid High School. They were the example that the other students were to follow. Many of them had been together for more than twelve years and because of that many deep relationships had developed. They were a group of young people who did many activities together and would remain friends for most of their lives.

Bridgette Atlas, Dale Brown, Justin Barrett, Tim De Wine, Joe Janosik, Kellie Smerdel and **Renee Latsch** were having fun at the Homecoming bonfire.

Rachel Zielinski and **Rich Landsmann** enjoyed their evening at Homecoming.

It was a beautiful evening when these students got together at the Homecoming bonfire.

LOTS OF HOMEWORK

Seniors vote on which teacher gives the most homework

Many of these students don't like to do homework but the ones that do their work are more likely to get a better grade than the ones who don't.

Seniors filled out a questionairre in homeroom asking which of their teachers gave the most homework. The teacher who won this distinction was Mr. **Jeff Hartmann**. Mr. **Robert Petrovic** came in second and Dr. **Ron Powaski** came in third. Mrs. **Jo-Rita Perez** and Mr. **Wayne Smith** were tied for fourth. Other teachers mentioned were **Michelle Mc Garry, Barb Ramlow, Carolyn Heuer, Betsy Leonetti, Mike Sustin, Ken Lowe, Joan Paskert, Sue Amato, Bette Schmeling, Ron Zucca, Barbara Breeden, Frank Jablonski, John Barcza, Stan Bender, Mike Durbin, Jim Kelley, Lisa Proctor, Terry Dubroy, Judith Mc Laughlin, Chris Torrelli, Dolores Black, Kendra Callahan, Deborah Petrick, Roy Pignatiello, Frank Hoffert, Tom Banc, Joan Paskert** and **Judy Zubizarreta.**

Mrs. **Judy Zubizarreta** was one of the teachers mentioned as giving a lot of homework. Among other things, Judy is also the National Honor Society adviser. Here she is with **Marc Orlando, Joe Dula, Chad Shuskey, Dave Bischof** and **Jeff Grundman** at one of the NHS meetings.

As students mature they realize the importance of doing the work that is asked of them.

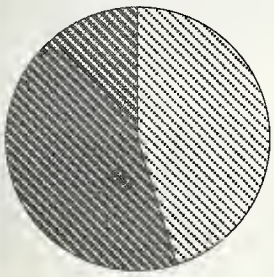
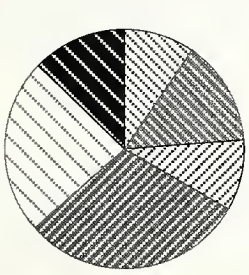
NEWCOMERS TO EUCLID SCHOOLS

Most Euclid seniors have not been in the Euclid schools all their lives



Have you attended Euclid schools all your life?



How many years have you been in the Euclid school system?

Euclid seniors were asked if they had attended Euclid schools all their lives. 45% of the seniors who answered said that they had. The rest of the seniors were in the Euclid schools anywhere from one to eleven years with the most frequent number being four years. This reflected a large number of students who attended parochial schools for the first eight grades and then came to the high school in the ninth grade. Almost ten percent of the seniors have only been in the Euclid schools for one year.

Many of the students in these pictures have not been in the Euclid schools all their lives.

HOME IS A HOUSE

Seniors were asked whether or not they lived in a house. Almost 83% of the students responding stated that they did. This was very similar to the results that the seniors reported last year. Students felt that it was a stabilizing situation to come home to a house.

On Friday, October 20, 1995, students in some science classes were treated to a talk by **Mary Ellen Weber** about her mission on the Space Shuttle 70 mission which took place in July, 1995. Mary Ellen graduated from Bedford High School but visited Euclid since her mother teaches in the Euclid schools. She talked about the preparation and execution of her flight and described some of the experiments that the members performed. She showed some slides and a videotape of her flight. She presented to Principal **Robert Knuth** a montage of pictures from the mission and he presented to her a Euclid High school t-shirt. After her talk, she had lunch with seventeen Euclid girls where they were able to talk about opportunities for women in the space program.

One of these students could be an astronaut some day if they have the desire and perseverance. It is important to have a goal and to focus on it. These days at Euclid are the beginning of the rest of their lives.

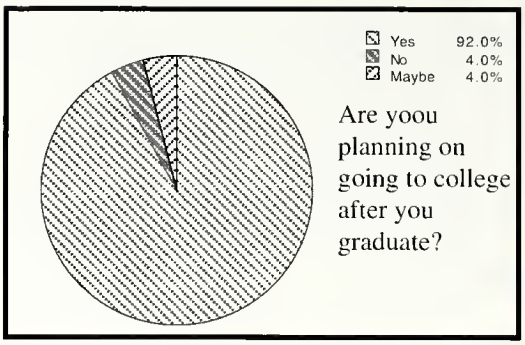
COLLEGE PLANS



The seniors were asked if they were planning on going to college after they graduate. 92% of the respondents said that they were. This was even higher than the 86.3% who responded that they were planning on college in last year's poll. This showed that most of the seniors realized that high school was only the beginning of their education.

Kathleen Graham and **Jason Wiggins** now working at Bob's Big Boy and Scotto's Pizza know that they need a college education to get anywhere in the world.

MISSING PERSONS

The Euclidian staff tried very hard to picture everyone in the senior class in the senior section. The photographers took pictures on three different occasions, but some students missed all three dates. In order to produce a book with the most complete picture section, underclass pictures from previous years were used. In spite of this the following students were not pictured: **Rasa-Lila Andrews, Adonis Bell, Le Roy Billips, Robert Bradshaw, Aaron Call, Nicole Clark, Frank Codispotti, Stacy Corbin, Adrienne Dixon, Tshombe Fisher, Andre Foster, Felicia Foster, Mark Guerrieri, Gregory Hancock, Rob Henderson, Michael Howald, Spencer Howard, Nick Keichel, Bryan Kelly, Tenishia Kelly, Dan Kozel, Lavitia La Shore, Shonnie Lawson, Jessica Mc Manemy, Austin Milne, Wakila Mitchell, Daniel Norsic, Mary Nosan, Daniel Novak, Andrew Pearson, Joshua Pelz, Jason Pund, Lashawntae Randle, Wilson Rogers Jr., Mike Royce, Jessica Ryman, Sara Schofield, Gary Scott, Jacqueline Smeltz, Dan Smigel, Jennifer Styles, Bill Trinkle, Kevin Vanatta, Mike Vitovich, Michelle Whittenburg, Marriell Williams, Charles Wilson**, and **Rich Zabivnik**.

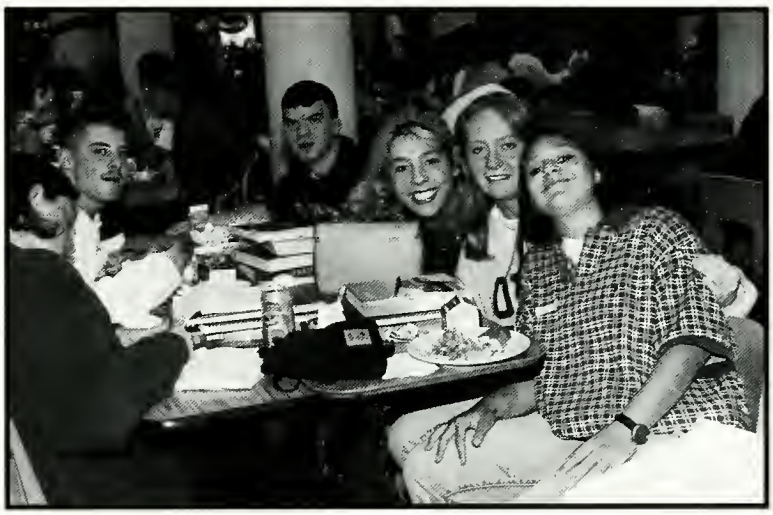
Euclid had many clubs, sports and extracurricular activities that students could participate in. There was no excuse as to why any person did not get involved in some activity if he or she wanted to get involved in something. Some activities took place during the school day while others took place after the school day was completed. Other activities took place in the evening or on weekends. High school was a time when students should have gotten involved in many of the activities that made a school a place to want to belong to. People not participating in activities were missing a large part of the high school experience.

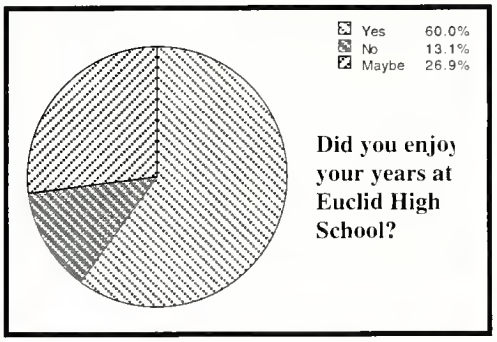


Scott Herberl, Andy Nesbeit, Kelly Smith, Megan Westphal and **Nicole Hrdlicka** are involved in many activities at Euclid and really appreciate all the opportunities that they have.

Krisy Praznovsky and **Mark Zrim** enjoy each other's company during lunch.

ENJOYABLE YEARS

Most Euclid students say they enjoyed their high school years



The seniors were polled as to whether or not they enjoyed their years at Euclid and 60 % of the respondents said that they did. This was very similar to the 63 % that responded last year. The major difference seemed to be in the number of students who responded 'maybe'. Last year 23 % were uncertain while this year 27% were uncertain.

Kristina Geiger and **Mary Wolf** not only enjoyed their years at Euclid, they also enjoyed the times they spent lifeguarding at the pool.

Scott Herbert, Paul Pavicic, Kate Mc Guinness, Scott Granito, Fritz Streiff and **Dawn Pratt** look as if they are really enjoying their years at Euclid High School.

Many Euclid seniors admire their mother

Once again Euclid seniors were asked whom they most admired. There were many different answers given but the person who appeared the most was mom. Almost 40% responded that their mother was their most admired person. This was very close to the results from previous years.

EVERYBODY IDENTIFIED

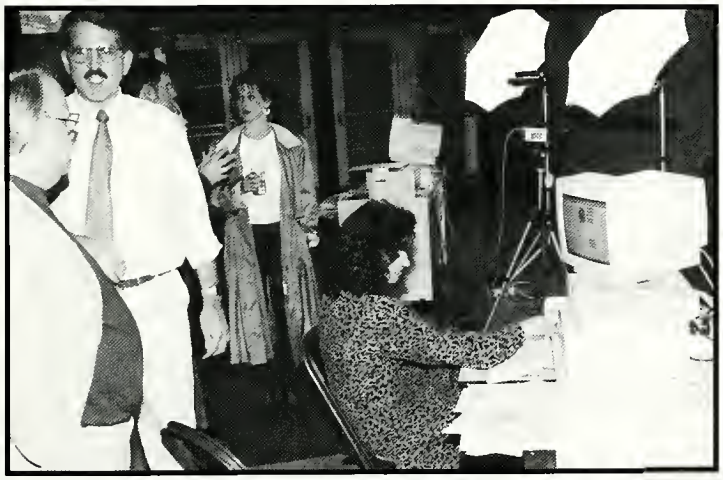
New I. D. system has everyone wearing their identification

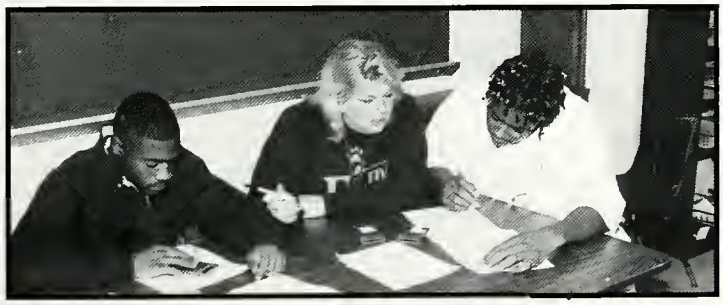
Mr. **Ben Pasquale, Kristina Geiger, Christina Faberl, Fritz Streiff, Nicole Jackson** and **Catherine Mc Guinness** show off their new photo ID's

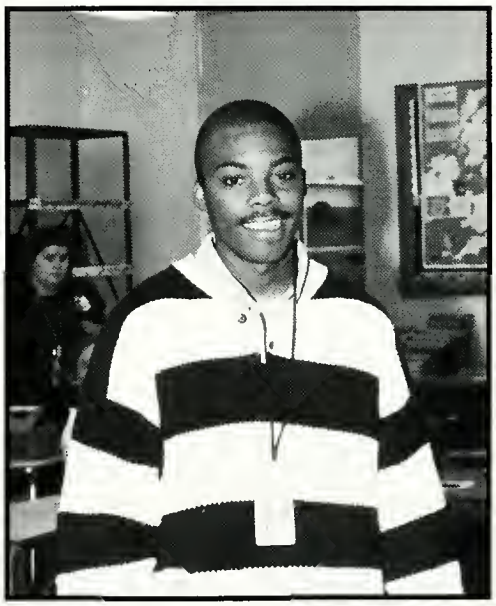
Euclid instituted a new type of ID system during the 1995-96 school year. The system was not ready at the beginning of the year so students and staff did not get their ID's until midway into the first grading period. In order to run the school in a more professional and safer manner, all students and staff were required to wear a photo ID throughout the day. This was useful in identifying whether or not a person belonged in the building and it made it possible to identify whether or not a student was in the proper lunch period since the lunch periods were color coded. The photo ID's made Euclid much more compatible with other organizations such as hospitals and businesses. As the system evolves many other uses for the ID's will be implemented.

Alex Dzerowicz and **Dan Vensing** talk about the digital imaging process that was used to make the photo ID's.

Mrs. **Kathy Pasquale** helps **David Harris** and **Daemyon Adams** with their work.







Brandon Goodman is happy to show off his ID.

Did you ever study more than 30 minutes for a test?

When asked if they thought tests were necessary, more than 51 % of the seniors responded that they were. Only 22 % said that they were not necessary. ALMOST PERFECT

Football team has 9-1 season and takes G.C.C.but fails to make playoffs

You could say that this was "The Year of the Young". The Panthers had more starting underclassmen than there were seniors but still earned another G.C.C. championship. Their lone loss was at the hands of defending state champion and 1995 state champion, St. Ignatius, but they put up a fight which would never be forgotten. After that opening loss, the rest of the season was almost an anticlimax with most of the games being essentially over by the end of the first period. The only reason the panthers did not make the playoffs was because of the relative weakness of the other teams in the G.C.C. so they did not earn enough computer points.

Day in and day out, the Panthers practiced for their next opponent. With the encouragement of the General (Coach **Tom Banc**), and the finesse of the offensive backs, Euclid was destined to be G.C.C. champs. The sophomore, **Tony Fisher** had 1633 yards and 20 touchdowns, was lead up the center by the incredible blocking of **Tony Laurich, Sean Mc Laughlin, Mike Melnyk** and the fullback **Monroe Hillsman**. For the first time in several years Euclid had a great passing game. **John "Die Hard" Mc Clain** was often a devastating blow to the opposing defense. Looking right and then left, he would find **Simeon Boddie** twenty yards down the field, with the eight-hundred or so fans cheering. **De Juan Goulde** was named the News Herald defensive player of the year. **Tony Fisher, Mike Melnyk** and **Delmar Stewart** were chosen for the News Herald First Team. **Tony Laurich, Albert Simpson, Jason Jones, Peter Thomas** and **Andy Eminger** were all chosen for the Second Team. **John Mc Clain** and **Joe Tucceri** were given a Special Mention and **Tony Raia, Rick Cooper**, and **Monroe Hillsman** received an Honorable Mention.

The panther defense never let someone go home without a great hit by **Jason Jones, Joe Tucceri, Tony Raia,** or any number of sacks by **De Juan Goulde**, strutting his way into the backfield with the unstoppable sophomore **Albert Simpson**. The year was filled with memories of touchdowns, fumbles and interceptions, but the one thing that the Panthers would never forget was the dedication it took to go out every day of every week and then miss the play-offs by four computer points.

CLOSE TO WINNING

Girl's tennis lost many close matches

According to Coach **Pete Swope**, the 1995 Varsity Girl's Tennis team was the best team he had coached in years. Although the record didn't reflect a winning season, the team played it's best tennis ever trying to overcome their 2-3 curse. The strong senior leadership of the doubles teams led the girls fight. First doubles, **Jennifer Hrovat** and **Cathy Gibbons** finished off the season with a personal pest record. The second doubles team of **Angela Meros** and **Kristina Geiger** returned this season adding confidence to their game. Topping out the rest of the squad in the singles positions were **Kristi Zevnik, Theresa Parey** and **Allison Hrovat**. The girls hoped that their hard work this year sparked the returning underclassmen in future years. With the use of Coach Swope's 3 C's: Control, Command and Confidence, as well as help from Mr. Warman's J. V. team the varsity team should be better.

Volleyball struggled through a frustrating season

This year's volleyball team completed their season at 13-12. Leading the varsity squad were senior co-captains **Megan Westphal** and **Allison FitzGerald.** Other seniors that powered their offense were **Kelly Smith, Missy Koerber, Angela Miklavcic, Cherie Hinton** and **Lauren Hadyk.** Backrow defense women **Lori Meden** and **Aileen Glowacki** were two more seniors leaving this year. The team's potential was incredible but they were not able to put it all together. They had the tallest team Euclid had seen in many years and their team work improved throughout the season. Next year with returning juniors, **Colleen Taylor** and **Angela Suchy** as well as sophomore setter **Amber Cogley**, the team should be able to look forward to a better season.

JOE TUCCERI BREAKS RECORD FOR MOST WINS AT EUCLID

SHOWING

The Euclid wrestling team still suffered from not enough interested wrestlers but it was not as serious as in the past. Euclid won several meets this year for the first time in several years. The team began to get everything together and by the end of the season things were going well. Most of the wrestlers had improved their records. **Joe Tucceri** was the brightest part of the team when he broke the Euclid record for the most wins in a high school career. Joe was ranked number 1 in the 160 pound weight class by the *News Herald*. Head Coach, **Chris Papouras** felt that the team was getting stronger throughout the season.

Boy's Cross Country has an excellent season

Boy's Cross Country: **Paul Glowacki, Derek Stanic, Michael Miklavcic, Mike Simenc, Eric Schuster, Tim Carney**, Coach **Tom Halbedel**.

This year's Boy's Cross Country team was lacking in numbers but made up for it in their actions. Only six men were on the team but they went on to an almost repeat of the 1994 season when they finished with a 9-1 record. The only G.C.C. team they lost to in the last two years was Eastlake North. Senior, **Tim Carney**, who won G.C.C. MVP was the top runner for the year. Juniors **Paul Glowacki** and **Derek Stanic** were the second and third men. the fourth man astoundingly was a freshman, **Mike Miklavcic** and sophomores **Mike Simenc** and **Eric Schuster** finished off the team. With only one senior graduating a strong team should return next year.

This year's Lady Panthers Basketball team had an excellent season. They won the G.C.C. championship for the first time in seven years as a result of hard work, persistence, and team work. There were five returning seniors: co-captains **Margy Mihalic** and **Angela Miklavcic, Sharon Hollis, Katie Bauer**, and **Kelly Smith**. The team was rounded out by juniors **Ronnie McGraw, Monica Martin, Carmekia Harris**, and **Jamie Greskowiak**; sophomore **Shavon Bell** and freshman **Delvona Oliver**. They finished with an overall record of 15 and 4 due to unbelievable second-half performances. Next season with a large group of returning lettermen as well an awesome group of freshman, the team should be unstoppable.

INSIDE

Indoor Track prepares

Indoor Track was a little bit different for the 1996 season since there was a girl's team as well as a boy's team. There were girls on the team in the past but it was not recognized as a sport so this was a first for the girls. The team practiced and ran their meets indoors in preparation for the Outdoor Track season. The team had lots of talent and did well in all their meets and made great progress in preparing for the spring sports.

MARCHING ON THE FIELD

"This season has probably been the most exciting ever for the Euclid Panther Marching Band." Band Director, **Diane Tizzano** and new Assistant Band Director, **Glenn Obergefell** guided the young band to many new festivities including the Rock and Roll Hall of Fame parade, the World Series parade, and the Eggleston's Christmas parade in Atlanta. The Panther Marching Band also marched in the Annual Woolybear Festival and performed the 1812 Overture with fireworks for Homecoming. Auxiliary Director, **Betsy Leonetti** helped the Flag Corps and Majorettes add energy to the shows as student conductors Senior Field Commander, **Carrie Sharp** and Junior Field Commander, **David Giancola** kept the band looking sharp and sounding great. In addition to the 1812 Overture, the band performed such crowd-pleasers as Thriller, Boogie Down, and Emperata Overture as well as the Senior Show, written exclusively by the Class of 1996.

WAVING THEIR FLAGS

Flag Corps add color and motion to half-time ceremonies

Flag Corps began with try-outs in May and ended with the huge Atlanta Christmas Parade. In between was lots of work and lots of fun. Band camp consisted of 2 weeks of roasting in the sun, practicing the fundamentals of marching. They learned their field positions for pregame and show songs. At home games they did pregame activities and then sat in the stands to cheer the Panthers on to victory. At away games they did not have a pregame show.

At half-time they did their best to entertain the football fans with exciting songs like "Thriller" and The march from "Raiders of the Lost Arc" and succeeded each time. Besides performing at football games they also performed at the Rock & Roll Hall of Fame Parade, The Indians' World Series Parade, Tag Day, The Bay Village Festival, The Wooly Bear Parade, The Walkathon, The Forest Park trip, and the huge Atlanta Christmas Parade.

The schedule was very busy but the members were able to make new friends and bond with old ones. Flag Corps held a special place for all it's members. Ms. Betsy Leonetti was the advisor for the Flag Corps.

Majorettes: **Kim Kosovich, Christy Peacock, Stefanie Brown, Christy Gecewich, Jessica Scott.**

The 1995-96 Euclid Majorette Squad twirled their way through another great (exciting) season. They were led on the field by Feature Twirler, **Christy Peacock**, along with senior, **Stefanie Brown**, sophomores **Christine Gecewich, Kim Kosovich** and freshman, **Jessica Scott**. From the beginning of band camp in early August to their last indoor concert, dedication and enthusiasm was sustained throughout the entire football season. This year they were chosen to march in the downtown Cleveland Rock 'N Roll Hall of Fame Parade and the Indians Pep Rally Parade along with the EHS Band. They twirled together in many parades, festivals, pep rallies, competitions and the football half-time shows. Their last performance was in the Memorial Day parade. Their season concluded but they will never forget the memories.

GETTING THEM

The Euclid chapter of the Naval Junior Reserve Officers Training Corps program entered it's second year in 1995-96. It gave students a chance to learn about the military and learn a lot about themselves. They participated in programs within the school such as being guides during Parent Teacher Conferences and color guards during football and basketball games. They also went on trips to other schools and organizations and competitions with other groups. The program enabled them to advance when they enrolled in college and be able to secure funds for further education.

SLIDING DOWN THE HILL

Ski Club makes winter fun

The winter passed more quickly if you were a skier. Instead of dreading the snow skiers actually looked forward to it. The winter of 1995-96 really began hard when an early storm closed schools one day early for winter vacation and then extended winter vacation by one day because of another storm. When students got back from vacation it really looked like winter and it felt like skiing. The snow lasted into the third week of January before warm weather and rains melted all the local snow. The ski areas, however, still had lots of the white stuff and skiing continued. Skiing was a fun activity and the school program gave students a chance to experience it for a relatively low price.

POETRY IN THE WATER

Wai Napolo puts on annual swim show in the spring

The members of Wai Napolo faced a challenge that they had no control over in 1995-96. The boy's pool was being rebuilt and was unusable for most of the year. This impacted both the boy's and girl's swim teams and the members of Wai Napolo since there was only one pool available for use. Wai Napolo girls were not able to get into the pool until after the completion of the swim season. This was also a different year for the club since Mrs. **Heather Koczur** was their new adviser.

At the beginning of the year students picked up material describing the Close Up program from Mr. **Wayne Smith.**

MANY EUCLID STUDENTS HAVE A JOB

Having a job was a reality for many of the students at Euclid High School. Students wanted to have money so that they could make purchases at local stores and be entertained. Teenagers were an important market for store owners since they spent lots of money on clothes and gifts and entertainment. Some students were also saving for their schooling after high school. A poll was taken of the seniors and more than 70% of them responded that they had a job and more than 10% said that they worked more than 30 hours every week.

HELPING AROUND THE OFFICE

Office aides enable the secretaries to work better

Many important events at Euclid took place in the offices and it was the secretaries and their helpers who enabled this to take place. The Office Aides were there to deliver messages to students throughout the school, help with the filing of papers and reports, arranging and alphabetizing lists and every other little thing that had to be done to keep the offices running smoothly. The secretaries got some help and the students got some experience.

DON'T DRINK AND DRIVE

S.A.D.D.wants students to not mix alcohol and gasoline

No one should drink alcohol and drive. This was the message that the members of S.A.D.D. (Students Against Driving Drunk) tried to get across to the students at Euclid High School. They did this by distributing red ribbons to be worn throughout the holiday season as a reminder to keep sober if they were going to drive. The group also tried to help students get rid of prejudices held against other people by the use of puppets and skits that they would perform for the elementary and middle schools. Kids on the Block used puppets to portray different situations that kids got into during school and tried to show the students how they could get out of a situation that was detrimental. Mrs. **Kathy Hoinski** was the adviser for the group.

In their junior year, the students attended classes and studied the stock market, business finance, marketing research and many other business related activities. Seniors spent part of their day in school learning about everything from job interviewing to advertising and sales. During the remainder of the day they were employed in retail establishments within the Euclid area in a variety of retail, wholesale, and service capacities. In D.E.C.A., students competed against other high school students on the local, state and national level in areas related to their career interest.

If you don't lock it you're going to lose it

KEEP IT LOCKED

Lockers became more important this year since the rules were changed so that students could not carry book bags and back packs to their classes. This was done to relieve the congestion that the bags caused when they were lying around on the floors in the classes. Because of that, students had to keep most of their books in their lockers when they were not being used. Many students still decorated their lockers so that they could show their individuality.

Euclidian THESE ARE THE Days

The main purpose of any school was to provide a place where the students could get an education. A competent staff was necessary in order to achieve that goal. At Euclid there were many dedicated staff members who did their best to promote learning by the students.

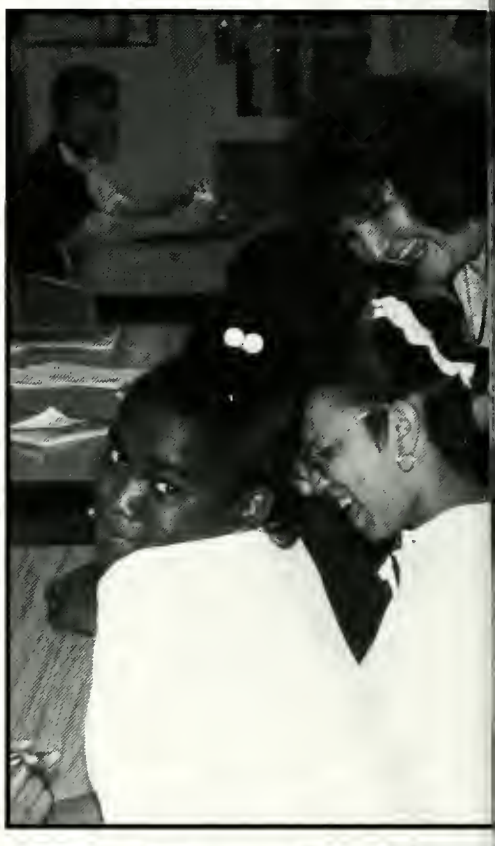
Euclidian THÉSÉ ÁRÉ THE Days

The underclass was important to every school since these were the students that were going to become future seniors and graduates. Euclid was fortunate to have many undergraduates so that the size of the school was getting larger all the time. The attitudes that were formed in the early years at school carried over to the later years.

UNDERCLASSMEN



Mrs. **Marcy Richards** helps some underclassmen with their work.
Rob Slade, John Morris, Natalie Mc Gill, Robert Latsch, Brian Thompson, Jessica Nelson, Paul Glowacki and **Marianne Wilson** are some underclassmen who are striving to succeed.

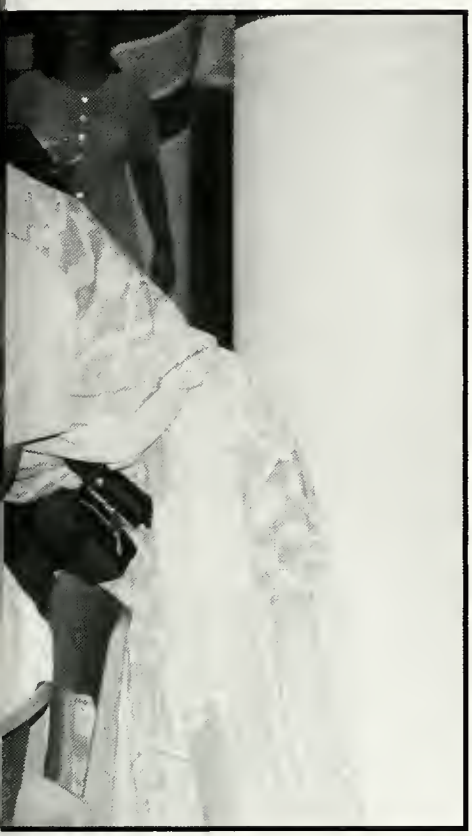
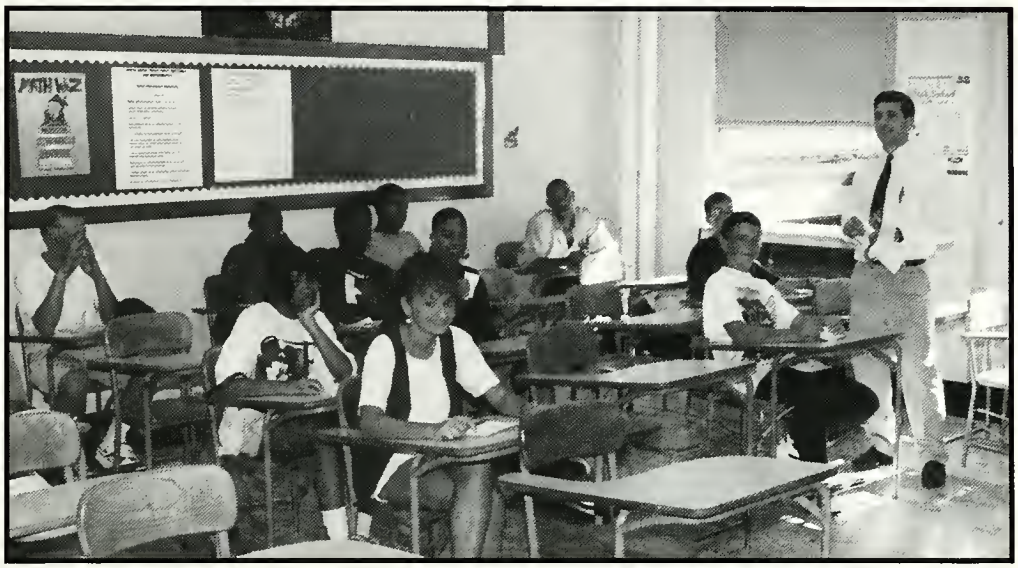
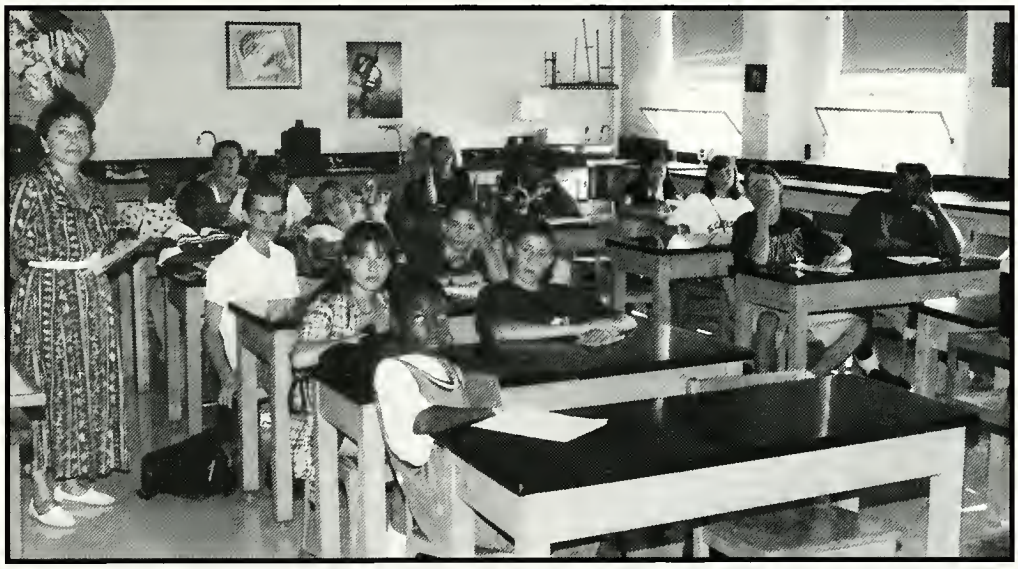
w ninth grade Unit Principal, **Marilyn Foote**, helps ne freshmen get used to Euclid.



Mr. **Ron Zucca** knows that his underclassmen need good instruction in order to become good upperclassmen.





Science teacher, Mrs. **Fran Ratka**, wants her underclassmen to have a good understanding of science since the world is becoming more and more technical.

Chrissy Kovacevich, Kathy Stobierski, Jackie Sas, Amber Cogley and **Colleen Taylor** spend time in the offices so they can get experience with helping out in a work environment.

YOU CAN GET THERE FROM HERE

Jim Grinstead knows that it is important to work in his undergraduate years.

Class of . . . 99

The freshmen had an exciting year and experienced many new things. They went from being top-ranked middle schoolers to novice high schoolers. Everything around them was new-a high school impossible to navigate, new teachers, more homework, even some new classmates. After a few weeks, however, the freshmen managed to settle into the high school groove. They learned their way around the building, got familiar with their teachers, and met new friends. Most managed to get past the toughest year of high school with a smile, and are ready to help next year's newcomers get into the now familiar routine of high school.

Regina Cadovec and some of her friends had an enjoyable time at Homecoming.

FACE THE FACTS

Dawn Merritt was an important part of the girl's soccer team as she goes for the ball. Freshmen cheerleaders, **Amie Ficere, Regina Cadovec, Vicki Mc Namara, Abby Stanic** and **Leah Cherne** did their best to get the fans involved in the game.

Members of the freshmen volleyball team confer with their coach, Ms. **Pat Buck**, on strategy that they will use during the game.

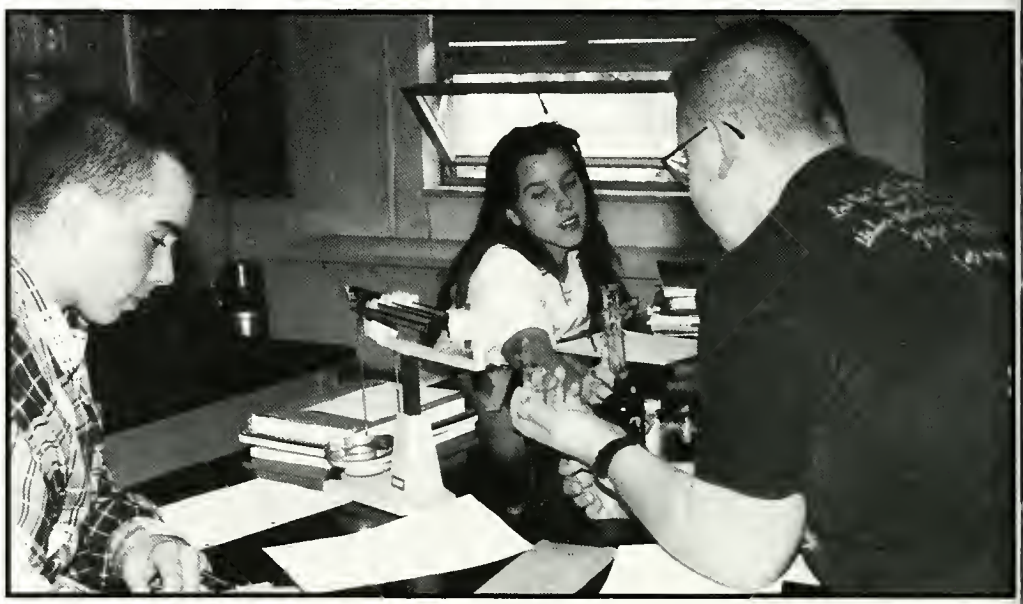
Class of . . . 98

Sophomores try to get their act together

The sophomore year was one of students trying to find out about themselves. Most had been in Euclid for a year so they knew their way around the building but now they had to find their way around their own lives. Sophomores had more responsibilities but they were faced with many decisions that had to be made. They had to decide what kind of courses they wanted to enroll in so they could begin moving towards some goal in life. Some knew where they were intending to go but most found this time to be very confusing and at times frustrating. Sophomores had many emotional ups and downs but most made it through those trying times.



Mike Jolly, April Dworning and **John Smarsh** are working hard in their chemistry course since they know that what they learn will help them when they get to college.

April Dworning has a lot of fun at Euclid decorating her locker so she will always have enjoyable memories.

Robin Ulle has a job at Jay Dee Cleaners so she can earn some money for herself so she can have more fun in high school.

Jennifer Thomas works hard at her job at the Cambridge Cafe where she is learning about the working world and making money to buy the things she wants.

GAINING CONFIDENCE

Greater maturity leads to greater accomplishments

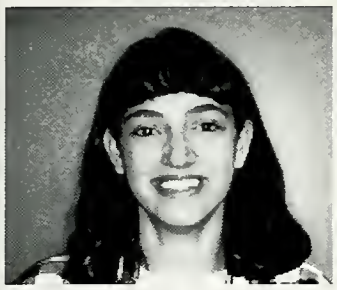
Crystal John, Matrika Johnson, Cassandra Jones, Denise Witten and **Ebony Lane** know the value of being involved in extracurricular activities while at high school.

Brian Zorman and **Terry Kontra** are learning how to exchange data from one TI-82 calculator to another.

"Being a sophomore isn't much different than when I was a freshman but it's one step closer to graduating, independence and college."
Courtney Strah

Christy Gecewich, Lyle Steelman, Kim Kosovich, Jeff Evans, Nick DiBiase and **Jenny Cicco** had a lot of fun a Homecoming.

Sophomores know more about the school



"I won't have to take gym class next year and also it's different from freshman year because you know what you're doing and it's not new anymore."

Patti Carpenter

"Being a sophomore is a lot better than being a freshman. You don't get beat up quite as much and I'm looking forward to being a senior and I've matured and I'm doing a lot better in school this year than last year and the classes aren't much harder but it's different because I'm doing the work"

Pat Dilalla

Marching Band trumpets, **Shaun Holness, Matt De Wine, Jeff Evans, Todd Lapp** and **Todd Vicic** get much enjoyment from participating in Euclid's activities.

Amanda Price and **Karen Lemieux** know that the items that they keep in their lockers tells much about what they are interested in while at Euclid.

Many Euclid students came to the bonfire that was sponsored by Student Council before the Homecoming game with Maple Heights.

Jason Waina and **Erin Gady** are enjoying what they are doing in the laboratory.

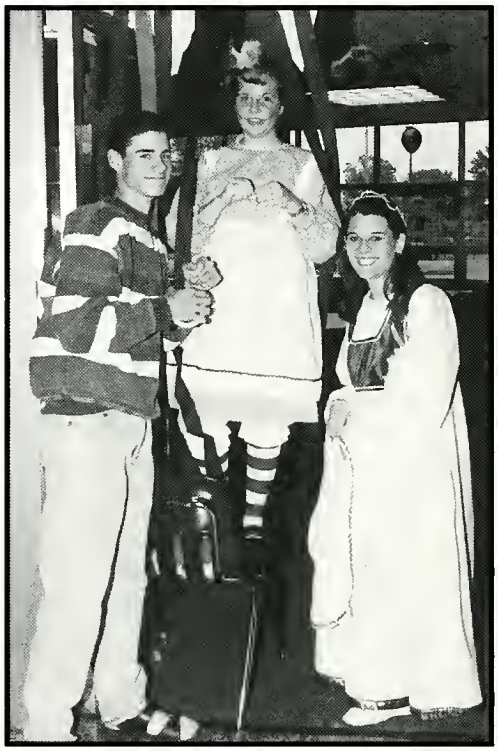
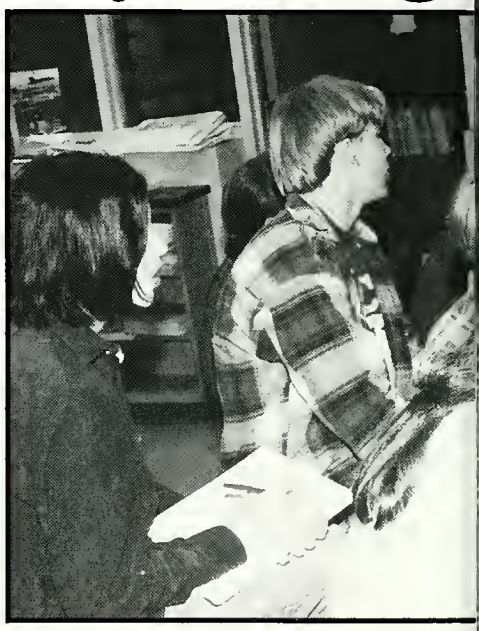
Juniors have only one more year to go

Junior year was an important time for most high school students. By that time they had their drivers license and had a car available or at least knew someone who had a car. This led to much more freedom and a chance to express themselves in different ways. Many juniors were thinking about their future plans and what they would be doing in the years ahead. But most of them were just interested in what was going to be happening the next year when they were going to be seniors.



Kevin Evans, Katie Baioni and **Mandy Mc Peek** are active Euclid students who help make Student Council a useful organization. Here they are decorating for the Halloween party for the community that was sponsored by Student Council.



Kelly Hiscott, Tim Long, Ron Timm, Adonai Arruda, Scott Longazel and **Mandy Mc Peek** enjoying themselves while working through a simulation on a computer.

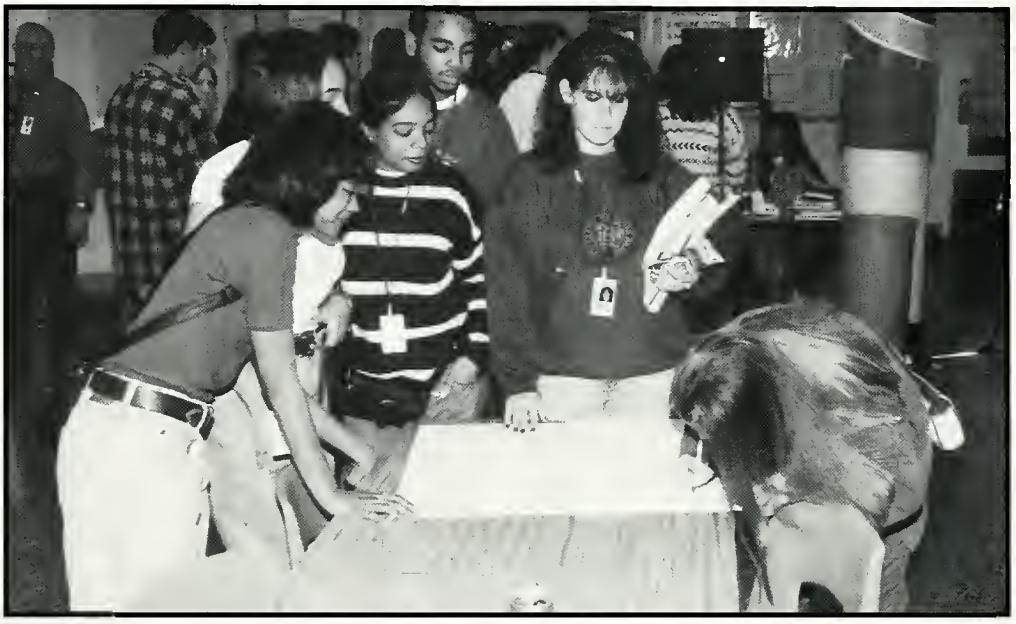
Lemuel Gardner, Cory Watson and security aide, **Tammie Barnes**, had an enjoyable time at Homecoming.

Kelly Echols and **Ivan Jurcic** know the value of an education and try their best to get good grades so they will be able to go to a good college and get a lot of financial aid.

The junior year sees a large improve

WORK HARD

Band members are very active in the life at Euclid High School. These band members helped make the bonfire a success before the Homecoming football game.
These students are signing a card that was donated by American Greetings for **Shondell Tinsley** who was a fifth grader at Forest Park who has been diagnosed with leukemia. Key Club organized this project.



Jennifer Waina, Jill Swansegar, Karen Salisbury, Courtney Sharp, Katie Walker and **Lisa Udovich** are very involved in many of the activities at Euclid.

"Our years here at Euclid have been very rewarding. We really enjoy what has been going on and feel that we are having a lot of fun."
Mike Doyle and **Dave Giancola**

AMERICAN LEAGUE CHAMPS

Cleveland Indians take pennant for the first time in forty-one years

The 1995 Cleveland Indians season was one that had to be experienced to be believed. In a strike shortened season the team finished with a 100-44 record which was the best of any team. In a season where most other teams experienced a drop in attendance due to the strike, the Indians home games were sold out midway through the season and the 1996 season was sold out by December 4, 1995.

The Indians beat the Seattle Mariners in six games to win the American League Pennant but then lost to the Atlanta Braves in six games in the World Series. The Indians were a hard hitting team but they were no match for the pitching of the Braves. Northeast Ohio and much of the country was totally consumed with Indians fever in 1995.

The Euclid Marching Band played at a parade held in Cleveland before the World Series began and many students attended it.

PIPPIN HAD

Big Show dealt with a person who

Tom Walker welcomes **Fritz Streiff** back to his kingdom after being away at school.

Big Show meant "Big" success and that's what 'Pippin' was. The annual musical took place sometime during the French Revolution. Pippin (**Fritz Strieff**) was a young man trying to find his place in the world. He went to war with his father's army, but realized he didn't measure up, especially to his conceited brother and mommy's boy, Lewis (**Scott Granito**). Pippin visited his beloved grandmother, Bertha (**Catherine Mc Guinness**). She thought he may find happiness with numerous women, but he didn't. Pippin then killed his father, King Charlemagne (**Tom Walker**) so he could become King and have power over the peasants and the nobles. The pressure was too much and he couldn't deal with the demands from the peasants, nobles, and Charlemagne's wife, Fastrada (**Kim Schoval**) who wanted her royal allowance. Three lead players (**Marc Stauffer, Colleen**

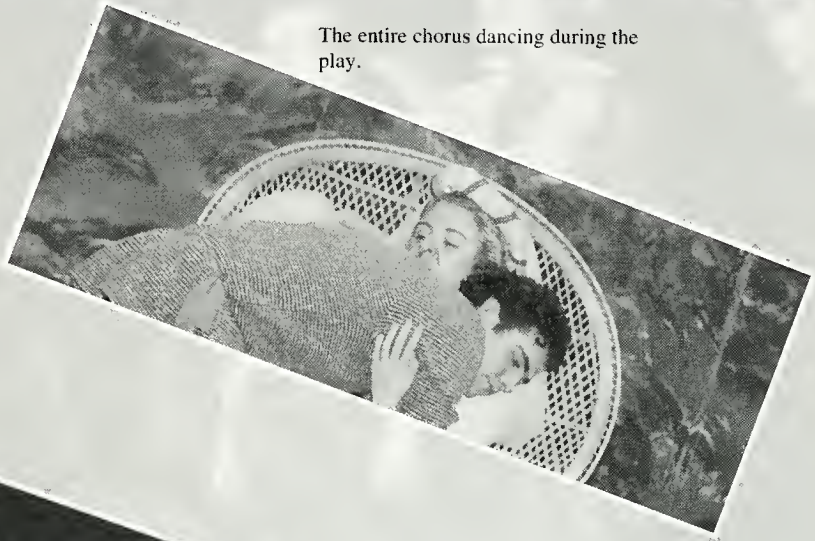
was trying to find out about himself



The entire chorus dancing during the play.

Scott Granito is bragging how he is going to shine in the sun while **Kim Schoval** and **Fritz Streiff** look on.

Fritz Streiff goes to **Catherine Mc Guinness** for advice.

Longshaw and **Rafael Brown**) were Pippin's advisers as well as guides.

Pippin realized that it didn't take power, or anything big, fancy, or expensive to make a man happy when he met a young widow, Catherine (**Jodi Dominick**) and her son Theo (**Bryan Grushcow).** He was bored after awhile helping Catherine with the chores of her estate and trying to get along with Theo, so he left. But they were back together by the end of the energetic finale when everything finally fell into place for Pippin.

The play was directed by Miss **Judy Carmody**. Mr **Ken Ferlito** nd Mrs. **Bea Grushcow** were the vocal directors. Mrs **Lisa Cheshier** was the orchestra director. Mrs **Bebe Weinberg Katz** choreographed the play and Mr. **Allen Black** was the technical director and Mrs. **Garlauskas** was the stage artist and Mrs. **Perusek** assisted with the costumes.

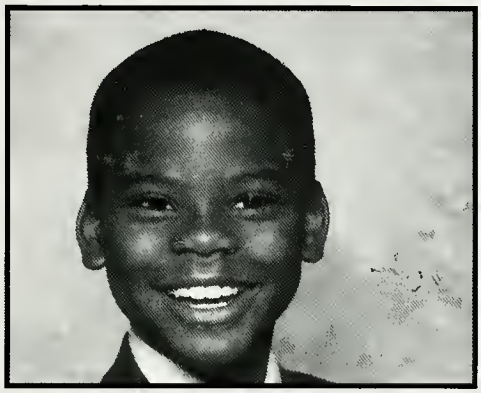
There's a big world outside just waiting for you.
Go get it, Mom and Dad



Darriell Le Shion Williams

You started out a beautiful baby boy and now you're a young man. We, your family are so proud of you upon this major achievement in your life. Always remember to make sure of the more important tings in life, and never give up. If you reach for the moon you will land among the stars.
Love you, Mom, Grammy and Family

Todd, "Jump for Joy!" You're graduating. As always, you've made us very proud. "Hang in there" Love, Mom, Dad and Barney

Todd Woodruff

Rachel Zielinski

Dearest Rachel,
"This above all: to thine own self be true,
And it must follow, as the night the day,
Thow canst not then be false to any man."
Hamlet Act I, Scene 3.
Love always,
Dad and Mom

CLOSING

Colophon

Josten's **Printing and Publishing Division** at State College, Pennsylvania printed the 650 copies of the 1996 *Euclidian*. The book was printed on Gloss 191 paper stock and included 48 pages of full color. All pages were created using the Aldus PageMaker® 5.0 program running on a Macintosh IIsi computer that had 17 megabytes of RAM, a 540 megabyte hard drive and a Daystar Powercache 50 megahertz accelerator card with math coprocessor installed. The pages were backed-up onto a 88 megabyte Syquest removable hard disk. A 21" black and white, two page monitor made page layouts much easier. A second Macintosh IIsi computer with 5 megabytes of RAM and a Video Spigot card was networked to the first. Both computers were running System 7.1. Digital images were imported either directly from a Sony Mavica MVC-A10 Still Video Camera into the Video Spigot or were scanned in from a photograph using a 600 dpi scanner. The images were processed using Adobe Photoshop® which had Kai's Power Tools® plug-ins installed. Graphics were produced using Aldus Freehand®, Type Styler® and Microsoft Works®. The index was made using the Josten's program, Last Name First®. The pages were recorded on 3.5 inch floppy disks and 88 megabyte Syquest disks and hard copy was printed on a Hewlett Packard LaserJet III printer. The hardcopy and disks were sent to Josten's who stripped in the photos and produced the final copy on a Linotronic printer. The first two deadlines were submitted on Syquest disks since there was so much memory needed. The rest of the deadlines were submitted on 3.5 inch floppies. The cover was designed by the **Josten's Art Department**. Pages were submitted to the plant on five deadlines: November 27, January 1, January 22, February 12, and February 26. The pages were submitted as eight page multiples. All the color pages had to be in the first deadline since their production entailed so much work. Since the final deadline was in late February, nothing that occurred after that time could be included in the book.

Thank You Staff

The staff of the 1996 Euclidian would like to extend thanks to all who helped to make this book possible. First and foremost, thanks have to go to the adviser, **Mr. Von Benken** for the many long hours of hard work and planning that had to be put in to get the entire operation going and to keep it going. Others to be thanked are: **Lifetouch National School Studios Inc.** for supplying film and processing for the many pictures that appeared in the book and for taking many of the team pictures, senior and underclass pictures. **Josten's Yearbook Company** for putting it all together in such an artistic manner. **Charlotte Elston** for all the time she spent arranging photography dates and supplying needed materials, **Joannne Hodder and Joan Linderman** for all the time and work they did trying to get the senior pictures arranged and taken, all the writers and photographers who contributed their time, and last but not least, the entire student body at Euclid High School without which this book could not exist.

Band President, **Joe Dula**, leading the band during their Winter concert.

Many people helped in some way with the 1996 *Euclidian*. Some wrote stories while others worked on the laying out of the book while others helped in the mailing of letters. **Angela Miklavcic** did much computer and layout work. Others who did some work were **Marianne Wilson, Allison FitzGerald, Tracy Martorello, Christina Fabert, Kristina Geiger, Joe Tucceri and Mr. Von Benken.**

Disclaimer

The 1995-96 school year is history. Many interesting and significant events occurred during that time and the *Euclidian* tried to cover as many of them as possible. This was difficult due to the limited staff. If we missed something, we are sorry. We sincerely apologize for any errors or omissions that occurred in the book but you have to understand this is only a high school publication and mistakes can happen.

Gilbert Taylor and **Colleen Longshaw** discuss matters in the Fall Play.
